OUTRIGGER MEETING PUT OVER ONE WEEK

The Outrigger Canoe club annual meeting was scheduled last night in the Libray of Hawaii, but as only 15 members appeared and there were but 15 proxies there was no meeting, for the club's constitution demands 50 votes present.

After waiting until about 9 o'clock it was decided to postpone the meeting for one week. Meanwhile those who were present will endeavor to get enough proxies to insure a meeting next Thursday night at 8 o'clock.
