CLEVELAND, Aug. 2.—Corbis H. Walker, formerly of Honolulu, landed at Lorain, Ohio, at 5:30 o'clock this morning, 21 hours and 15 minutes after he started to swim across Lake Erie from Pelze passage lighthouse, Ontario. Walker now represents the Central Y. M. C. A.

Walker said "never again" at the conclusion of his feat. His legs are paralyzed tempoarrily.

In 1917 the Outrigger Canoe club held two Castle-to-club swims. One was a closed event and was won by Duke Kahanamoka. The second was an open event and was won by Corbis Walker, then a soldier at Fort De Russy.

Walker was a member of the Outrigger club and led the field when Duke went out of the race at the Public Baths with cramps in his arms. For a long time Walker held the island service record for the 440 yards and the half mile. These were broken recently by Olson of Schofield.
