MARIECHEN WILL ATTEMPT TO SET FURLONG RECORD

Only Three Events For the Mermaids on Program; Chances of Record Good

While there are but three events for the mermaids on the program of the Central "Y" swimming meet Thursday and Saturday night of next week at the Y. M. C. A., the chances of a new mermaid record in the 220 yards appear excellent. Mariechen Wehselau, champion of Hawaii, is going after the 220 yard tank mark held by Margaret Woodbridge of Detroit.

The island record for the 220 yards is 2:57, held by Mariechen Wehselau. The world tank record is 2:52.2 held by the Detroit girl. The other main mermaid event is the 100 yards, in which Mariechen Wehselau holds the world tank record at 1:03 flat.

The entries for the mermaid events are:
