Hui Makani Leads in Entries

Yesterday The Advertiser printed the name of Bob Darnell as being a member of the Outrigger Club. by mistake. Darnell is a Hui Makani swimmer.

All the swimmers, with the exception of the service swimmers and Burbank, Minnville and Harris, who competed in the meet were members of the Hui Makani Club, and have been coached by Harvey Chilton, veteran swim mentor, who has trained more world's champions from Hawaii than any other coach.

Darnell is being tutored by Harvey to enter the longer distances. and will probably compete here in these distances in coming meets here. Luning, who finished third in the backstroke event, will also be taken under Chilton's wing for further training in that style of swimming; and may rub Charlie Pung and Warren Kealoha, two of Chilton's championship talent, some of these days.
