Entry List Brings Out Every Star

All Prominent Swimmers Of Islands Are Booked

NEARLY every star swimmer in the islands, to say nothing of Gertrude Ederle, mainland star, is entered in the October swimming meet which will be held in Honolulu Harbor beginning October 11.

The seat sale, which commenced yesterday morning at Benson, Smith and Company, presages a remarkable attendance, the fans evidently being anxious to make sure of their seats in view of the decreased size of the bleacher area as a result of shortening the course to fifty meters.
