in fifth and sixth places for some time, but last night he broke out in a flash of form that attracted attention. He was unanimously awarded second place by the judges.

The 100 meters breaststroke novice brought out Hammond of the Outrigger Club, who is regarded as one of the most promising lights among island swimmers. Hammond took the race easily from Anderson, but George Harris of the Hui Makani club was close on his heels. Harris' showing was considerable of a surprise, and he may shoot at some of the high marks in coming meets. He is only 15 years old, and is being trained under Coach Harvey Chilton.

inning. The big guns made hits and four runs rolled in.

Pipp cost the Yankees a run in the eighth when, after singling and going to second and a wild pitch, he was caught off the keystone sack by Snyder's quick throw. Ward followed with a single that would have scored his teammate but was wasted when Ryan retired the next two batters.

Pipp's apparent lapse is believed to have been due to his injured ankle.

## TWO TYPES

The fans are watching with great interest the struggle between two baseball types in the present series. One is Babe Ruth, the greatest hitter of all and the mainspring of the Yankees' club. The other is
