The possibility of the Nanaimo B. C. soccer team stopping off her on its way south to New Zealand was enthusiastically discussed and Chairman Dunbar informed the meeting that he had already communicated with the Nanaimo organization and expected a reply on the next steamer.

There will be a meeting on the night of November 8 for all those interested in the soccer league when officers for the season will be elected.

It was decided that instead of selling tickets the expenses of running the league would be made up by 30 or 35 soccer enthusiasts contributing a sum of $5 or $6 each.
