

SOCCER PLAYERS HELP RODRIGUES

Benefit Game To Take Place Saturday With Con- tributions

The Honolulu Soccer Association will play a benefit soccer game next Saturday afternoon at 3 o'clock at Makiki field. A total of 500 tickets will be sold at 50 cents each in order to raise \$250 to pay the hospital bills of Frank "Piper" Rodrigues, Rangers player who sustained a broken leg in the championship game last Saturday against the Outriggers.

Fred C. Bailey of the Outriggers said yesterday that the Outriggers had held a meeting right after the game last Saturday and agreed to subscribe toward a fund for Rodrigues. The Rangers also decided along similar lines.

The benefit game Saturday will be between the Rangers and the All-Stars. The latter will be a picked team from the others in the league.
