## Committee Appointed To Or- ganize Teams For Hectic Play

---

The Outrigger Canoe club is going in strong for volleyball. At a meeting of the club's athletes Sunday a committee consisting of Tom Muirhead, Tom Singlehurst and Edric Cook was chosen to handle volleyball matters.

The committee will arrange a tourney in which the players will be drawn for various teams. At the end of that tourney junior and senior teams will be selected for entry into the A. A. U. league, which is expected to be organized shortly after the basketball season is over.

The club will also go in for more outdoor sports and will start laying plans for an aquatic regatta that will include canoe sailing, canoe paddling, surfboard paddling and swimming races.
