

# ENTRIES GALORE IN PRE-OLYMPIC SWIMMING MEET

## Four Regular Events Down For Thursday, Including Finals In 440-Yard Go

By MIKE JAY

ITH Norman Ross, Illinois Athletic club star as the main attraction, the second pre-Olympic swimming meet tomorrow and Friday nights at the Central "Y" tank is bound to

prove a success, not only in the point of enthusiasm but also from the angle of finances. And it is that angle in which all the Olympic team hopefuls are interested, they, as well as the officials and authorities who will have to raise the money to send the Hawaiian team to the mainland for the trials.

### Turn Out!

The swimming fans should turn out in numbers. There will be 60 competitors, as well as Norman Ross. There will be close races. Though the 440 yards race is a handicap affair, there is always the possibility of a record being made. In the 100 on Friday night the local flashes will have to step some against Ross though the latter is not generally regarded as a century man. Come on, fans, turn out!
