

# WARREN KEALOHA SWIMS QUARTER IN FAST TIME

Clocked In 5:13.1 Which Is  
Better Than Time Hung Up  
By Ross Previous Night

Though never regarded as a middle distance swimmer, Warren Kealoha showed his extreme versatility last night at the second pre-Olympic swimming meet trials at the Central "Y" tank by doing the 440 yards in 5:13.1, which is better than the 5:17.2 mark hung up by Norman Ross, Illinois Athletic club swimmer, the previous night. Warren has been in training for some time while Ross has not. However that does not take any glory away from the feat performed by the Hui Makani star, who is the world backstroke champion, a good sprinter, a coming diver and now a middle distance swimmer.

Ross did not swim last night, having been beaten in the handicap trials the night before. Luning of the Hui Makani won the race in 5:38 with Gay Harris of the Outrigger club second.

In the girls' 100 backstroke event of the evening, another handicap affair, Lillie Bowmer May won from Leilehua Judd in a close finish. Mrs. May also won the 50 yards breast stroke race. The men's one-meter springboard diving went to Lieut. L. W. Coll of Fort Shafter. Hallor was second and Harvey third. Though T. ("Pump") Searle finished fourth he got the most applause because it was his initial effort in the event.

## Program

The program for tonight is as follows:

1. Women's springboard diving (1 meter).
2. 50 yards, boys under 13.
3. 100 yards men's open.
