

HOOKANO HOLDS IT FOR KIDS QUARTER

In the list of records of swimming races published yesterday Hookano Palama is credited with :16.2 for the 25 yards for boys under 11 years. His record is :16.1, made June 23, 1922.

Since that time the particular event has only been staged once in open water and that was the October 13 last year, when Billy Allen, Outrigger Club, won in :17 flat.
