

NO WORD YET FROM CONKLING

NO WORD had been received up to late last night, from D. L. Conkling, manager of the Hawaiian Men's Swimming team, in answer to the radio message sent him recently by the A. A. U. asking him to set aside from the Olympic fund enough money for Mariechen Weheslau, Hawaii girl swimmer.

Miss Weheslau and Mrs. E. Fullard-Leo, her manager, leave tomorrow for the coast, to go to the New York trials. It is believed that the message was delayed in transferring from ship to ship, and an answer is expected before the departure of the two tomorrow morning.
