

# 'DUSKY' BRASH IS VOLLEYBALL HEAD

## University Slamming Outfit Is Hitting Its Stride

---

Although laboring under the handicap of a small and in some cases disinterested turnout, the volleyball squad, under Capt. "Dusty" Brash, is making satisfactory progress. Its first game, with Nuuanu Y. M. C. A., was won by forfeit, and although defeat at the hands of the Outriggers is expected tonight, it is hoped that a good showing for the season will be made. Other league games scheduled are with Palama, National Guard, Central Y and the A. C. A.

Men turning out for the team are Captain Brash, Minvielle, Waters, Wicke, Jacobson, Heminger, Blom, Trotter, Samson, Wedemeyer, McGrew and Chung. Most of these men have had a good deal of experience either on last year's team or at the Outrigger, so that a good season may be reasonably expected.
