

## MANOA TOOK 88

Probably the most interesting passenger leaving yesterday morning on the liner Manoa for San Francisco was Mariechen Wehselau, the star swimmer of Hawaii, who was accompanied by her chaperone, Mrs. E. Gullard-Leo. Both were loaded down with leis presented by their admirers. The Manoa carried 88 passengers, the mails, about 7000 tons of sugar, 23,000 cases canned pineapples and 500 tons of molasses.
