

YOU'RE INVITED!

The Outrigger Club has been and is one of the most useful institutions in all Hawaii. It has helped to save Waikiki beach from entire occupation by private interests. It has given recreation, health and pleasure to thousands of men, women and children. It has kept alive the distinctively Hawaiian sport of surfing. It has been a gathering place for innumerable jolly and happy parties. It has served as a medium for entertaining distinguished guests. It has, in short, been a live, active, friendly, wholesome community club. Today the club is holding a fair to raise much-needed funds. There is swimming, surfing, and other sports. There are appetizing foods to be bought at the fair. There is a supper from 5 to 7. There is dancing this evening. If you want to extend a helping hand to a community institution which is mighty well worth helping—today is the time, and the Outrigger Club is the place.
