

Swimmers Get Awards: Medals Are Presented

Lorrin A. Thurston gave out the awards to the winners in the girls' Thurston swimming meet yesterday morning at a general assembly of Punahou students in Bishop-hall. Before presenting the medals and ribbons Thurston spoke of the wonderful opportunities offered them here in the swimming line. He pointed out the record that Mariechen Wehselau is expected to make in her races against America's best women swimmers.

Mrs. H. L. Dawson presented the Waterhouse cup to Helen Moses as the best all-around girl swimmer in Punahou as a part of yesterday's program. This cup was donated some time ago by the four aunts of Elizabeth Waterhouse, Mrs. C. H. Wilcox, Mrs. G. B. Isenberg, Mrs. R. C. Walker and Mrs. H. L. Dawson. It is awarded every year to the best girl swimmer in Punahou.

Helen Moses succeeded in beating out Janice Lovett in the senior academy open, and so was presented with a silver medal. Janice received a bronze one for second place. Helene Bartels captured the medal for first position in the senior novice and Ruth Irwin took second. In the junior academy open Helen Sanborn won first place and Betty Bahr second. Annie Douse came through as victor in the junior novice, and second place in this class was awarded to Carolyn Shepherd.
