

# Soccer Season Opens On Saturday Afternoon With Doubleheader On Program

Prospects Excellent For High Grade Soccer This Season;  
Palamas Meet Rangers In Opening Game While Navy  
Plays Outrigger In Second Tilt

"Center it, mon!"

The Honolulu Soccer association starts its league season Saturday afternoon at 2 o'clock at Makiki field. And the season will open with a double bill.

In the first game the Palamas play the Rangers, while in the second game the Navy tackles the Outrigger club.

In the past there have usually been but two strong teams entered with a lot of weak ones and the result of that has been a lack of interest in the soccer race. But the coming of Jiro Morita to the Palama Settlement has given that institution a new lease of life in soccer and Capt. Claude A. Larkin of the Marines has put a lot of new soccer pep into the Naval Athletic association.

Both of the teams were in the race last year but did not get going until towards the close of the season. But their final exhibitions indicated that they would be strong outfits this season.

The schedule for the league follows:
