

SHUTOUTS IN FIRST SOCCER SETS OF YEAR

Palamas and Navy Go Down
Before Others But Give
Dandy Future Promise

Good Crowd Present At the
Makiki Field For First
Matches of the Season

W H I L E the brand of soccer was not as keen as it will be later on in the season it was fair enough at the

opening of the Honolulu Soccer association series Saturday afternoon at the Makiki field when the Rangers defeated the Palamas 2-0 and the Outrigger won from the Navy 5-0. There was a fair sized crowd of fans on hand to witness both affairs and the weather was ideal for soccer with just the right zip to it.

The first game was the best of the two. The Palamas put up a fine battle and held the Rangers to a scoreless tie for the first half. In the second half the Rangers finally broke through and Rodrigues headed one into the net that beat Willie Clarke. One moment later on the next rush Simpson booted one in from the penalty line. Cushingham, in goal for the winners, had to work hard all afternoon, just as Clarke did in the other goal. Rattray played a good game at back and was well assisted by Jack Muirhead. Palama will have to be watched in the future.

In the other game the Outriggers were far superior to the Navy. The latter team has not developed its passing game sufficiently to be threatening. Nevertheless the Navy had several shots at the Outrigger goal and kept Bill Paty busy. Searle scored two, Hollinger one, Littlejohn one and Parker one.
