

Surfers Break Even In Scrap On Makiki Lot

Outriggers and Rangers staged a savage battle on the soccer pitch at Makiki field yesterday afternoon, closing the affair in a one to one tie after one of the most thrilling exhibitions seen here in some time.

In the second game the Pals beat Navy 3 to 1, in another interesting set-to. Navy seems to be coming along well although starting the season with a comparatively raw team. Each game played so far shows improvement.

Today's game, between the Outriggers and Palamas starts at 3:00 o'clock at Makiki Field.
