

Close and Savage Matches Played Over the Week-End By the Pig-Skin Kickers

Lots of Excitement With First Series Concluding a Tie; Surfers Had No Soft Snap Beating Palamas Yesterday and Ewa Men Were Dangerous Throughout

By MIKE JAY

Soccer is going to get just as popular as American football if the excitement keeps up. The games over the week-end at the Makiki pitch were not only close but they were savage. Some may take exception to the word savage, but it is the only way to describe that affair Saturday between the Outriggers and Rangers, which ended in a one-all tie. The Outriggers won yesterday 3-2 from the Palamas, thereby making the first round in the series finish a draw with the Surfers and Rangers each making five points.

The affair between the Rangers and Outriggers was a hot tussle and there were times when it looked as if the police reserves might be necessary. However, all's well that ends well and the battle ended one-all. Pump Searle scored for the Outriggers, while just who scored for the Rangers seems to be a question. Tom Muirhead kicked the ball which Fullback Fred Bailey of the Outriggers picked up with his hands on the goal line and which the referee declared a goal. This all occurred about the time Goalie Bill Paty of the Outriggers was laid out. Later some of the players had an argument with the referee and all in all there was plenty of excitement.

The other game Saturday saw the Palamas beat the Navy 3-1. Cummings scored one goal, while Judd scored the other. The third goal for Palamas was kicked in accidentally by a Navy man. The Pals were on the offensive most of the time.

Sunday Game

Yesterday's game the Palamas showed increased form and gave the Outrigger a real battle losing out 3-2. The Pals scored first when Matsuguma beat Paty with a long shot. The Surfers came back and Parker tallied on a pass from Bailey. Shortly after these two repeated, putting the Surfers in the lead. A penalty when Mayall touched the ball gave the Pals an equalizer. But before the half ended Rosemond, with some fine dribbling, put in the winning goal. There was no scoring in the second half.

Standings

Team	W.	L.	D.	Pts.
Rangers	2	0	1	5
Outriggers	2	0	1	5
Palamas	1	2	0	2
Navy	0	3	0	0

SNAPPY BATTLES IN SCHOFIELD'S GRIDIRON RACE

Gunners Nose Out Nineteenth While Gimlets Beat Bridge Builders In Other Affair

Gridiron fans at Schofield yesterday got a real treat in both football matches: the 11th Field Artillery beating the 18th Infantry 7-6, and the 21st Infantry nosing out the 3rd Engineers 20-12.

The gunners recovered a fumble in the first period. Hora of the Infantry fumbled a punt and Smith recovered it on the three-yard line and went across. The infantrymen made their touchdown in the last quarter by a series of forward passes with Clothier on the receiving end of the one that counted. Satcheny missed the posts, and the gunners won 7-6.

Other Game

In the other game the Engineers caught the Infantry flat-footed in the first moment of play and White went around end for 40 yards to a tally. The kick was blocked. Before the quarter ended the Infantry took the ball down in line bucks and then a pass on the five-yard line. Meisenheller to Seyler made the tally. The infantrymen kicked goal and
