

NEW VOLLEYBALL COURT FOR O.C.C.

Fill-In To Open Up New Ter- ritory For Beach Or- ganization

The Outrigger Canoe club will shortly have a new volleyball court. The filling in of the lagoon will give the beach organization more room.

The recent meeting of the club directors decided to throw open the club kitchen to all members and to encourage the family groups and big dinner parties in other ways. Women will be put on the entertainment committee. Moonlight surfing will be revived. Beginning February 1 the commissary will be enlarged and a big assortment of food put in stock and a woman placed in charge to serve meals.

The plans are being laid for a welcome party and old members are to be invited to return to the club. Anyone who has been a member and has allowed his membership to lapse can renew it by paying half the initiation fee.
