

Good Soccer Battles In Second Series At Makiki Field: Both Whitewash

Navy Team and Palamas Show Plenty of Improvement
Bigger Crowd Than Ever Out For Week-End Affairs
Chillingworth Is Star Sunday Against Palamas

SOME pretty goalie work was exhibited at Makiki field yesterday afternoon when Henry Chillingworth, reputed the best soccer goalkeeper in the islands, upheld his reputation and enabled the Outrigger to beat Palama 3-0. The Rangers won against the Navy Saturday 2-0.

Only the wonderful work of Chillingworth kept Palama from winning. There were three shots at least which would have been goals on anybody else but him.

The score does not really tell how close it was. The game was exceedingly even and both sides were on the attack and on the defense for an equal portion of the time. Searle scored the first one. Holt scored the second and Johnny Morse made the third for the winners.

Outriggers—Chillingworth, Bailey, Warden, Hollinger, Kapukul, Fuller, Searle, Morse, Holt, Rosemond and Littlejohn.

Palama—Clark, Cummings, Camacho, Robertson, Matsuguma, Rogers, Rice, Kim, Judd, Amoy and Mitchell.

Saturday Games

In the Saturday game the Rangers

had no easy task with the Navy team. The marines showed a great deal of improvement and bombarded the Rangers' goal throughout a large portion of the game. Winke scored the first goal for the winners and Walker made the second.

The crowd which turned out yesterday and Saturday for the soccer games was much larger than in the past, indicating a growing interest in the sport.

Rangers—Tom Muirhead, James, Jack Muirhead, Hart, Gilliland, Crabbe, Morton, Potts, Winke and Walker.

Navy—Sharp, Heeley, Ty Cashman, King, Wuick, Pickering, Reinke, Smith, Wells and Doy
