

SOCCER BENEFIT GAME CALLED OFF

Contributions To Rodrigues Fund Reach a Total of \$260

Owing to the fact that Makiki field is being used for baseball there will be no benefit soccer game tomorrow afternoon between the Rangers and the All-Stars. The game was to have been a benefit for Frank ("Piper") Rodrigues, Rangers player, who sustained a broken leg in the championship game between the Outriggers and Rangers last Saturday.

The soccer men of the city have gone out and dug up \$260 in the way of subscriptions to Rodrigues' fund and are open for more with which to pay for the medical and other bills in the case.

Contributions were received from Outrigger Soccer team, W. G. Schuman, Tom Muirhead, Jack Muirhead, Walter Muirhead, J. S. Muirhead, J. S. Gillan, J. Wink, James A. Dunbar, A. L. Castle, S. J. C. Todd, W. S. Martin, Robert Anderson, H. Winkley, G. Stanley McKenzie, Wilfred Harrison, Ed Munro, W. Jamison, J. M. Macconel, T. C. B. Gibson, A. C. Rattray and George Low.
