(Continued from Page 13)

the furlong obstacle race, tripping over the beams in :26.2, beating out Billy Worthington and Whittle by about a yard.

NAVY WINS

Daniels of the Navy broke the ribbon about a yard ahead of Sproul in the service century dash. Jones was third. The time was slow, :10.4.

In the quarter mile relay for women, the Punahou team easily outdistanced the Micks, winning in :58.1.

Roy Jacobsen, running for the University, took the tape in the half mile run about a yard ahead of Wong of the Y. M. C. A. The time, 2:09.2, was slow, but the finish was close and exciting. Jacobsen won in the last spurt, after being boxed out of the pole for the last lap and a half.

The University took the half mile relay after a hard battle with Palama and the Hui Makani team. In the last stretch, Hui Makani and Palama were running even. Farden and Asao broke into the straightaway on equal terms, but at the fifty mark the flying feet of the Dean flash, who had come tearing up from the rear, overtook the two and flashed over the line

a winner from Farden of the Hui Makani team by a good five yards.

Dick Gartley did the expected in the pole vault, topping the bar at 12 feet, 10 $\frac{3}{4}$ inches, and setting a mark that will be difficult for locals to duplicate for some years to come.
