

## SCENES AT THE A.A.U. TRACK CHAMPIONSHIP CLASH

Here are some remarkable action photos taken by Al Williams of The Advertiser photographic staff, at the annual Hawaiian A.A.U. Track and field championships yesterday.

The top picture shows the finish of the century open, one of the closest ever recorded here. Bernard Garden, who won, is at the extreme right. Next to him is Nick Hoopi, who did not place; McIntyre of Palama is behind him, and at the left is Asao of Palama, fourth place. Penhallow of the University, who came second, and Benny Auld, who came third, are next in line.

The middle picture shows the finish of the service 100 yards, with Daniels, the winner, hitting the tape at the left. "Lefty" Sproull, second, is at the right, while Jones is between them. At the right is John Watt, winner of the 120 yards high hurdles, in which he established a new Hawaiian record of 15.3. Below is Castanka, winner of the mile run and the Benton Trophy.

At the bottom is a photograph of Dick Gartley in his actual record-breaking performance. The picture was taken as the former Yale star was clearing the bar at 12 feet, 10 inches, a new local record.
